Varonis Certifications

Hexagon diagram: DatAdvantage, Data Classification Engine, Data Privilege (Coming Soon!), Varonis Certifications (center), DatAlert Suite/Edge, Directory Services, Automation Engine

Advantages of becoming certified:

- ✓ Be confident to using Varonis products to the full capabilities

- ✓ Become more noticeable on LinkedIn

- ✓ Access to the Varonis Certified Administrator group in LinkedIn allowing you to network with other peers

- ✓ Up to date with the latest Varonis technology via our recertification program

Classes offered specific to your role:

- ✓ How to find out who has global permissions and can access all the files on your system

- ✓ How to produce permission reports based on users, groups, or departmental data

- ✓ How to remove Global Access Groups (Everyone, Authenticated Users, etc) without impacting users, and more

- ✓ How to clean up your file system and Active Directory (stale data, sensitive data, individual users on the ACL, disabled users with access, users with password never expires, etc) with DatAdvantage

File System Administrators	Storage Administrators	Help Desk
